

Just 35-52 of these spread over 39,000 acres...

....would give you and Clinton County:

- \$30+ million in tax revenue over 30 years to support your schools, EMS services, the hospital, roads and bridges, and more.
- Help turn the county's projected \$1.1M 2023 general fund deficit into a \$2.5M surplus for the general fund.
- Help keep the county from cutting services, raising your taxes or increasing its deficit spending.
- \$25+ million paid for labor and construction companies (w/commitment to hire locally).
- 200+ temporary construction jobs; 10 long-term, good-paying local jobs.
- \$25+ million in stable, yearly lease payments to Clinton County family farmers, ranchers, and landowners over 30 years.
- Several miles of local road upgrades at no cost to taxpayers.
- Homegrown energy independence to power 50k homes.
